19 - 20 February 2024

#FlameYourRace

OVERVIEW

Petroleum Integrated Days (PETROLIDA) is the biggest annual event held by SPE ITS Student Chapter. This year's series will be the 12th annual event. Petroleum Integrated Days mainly focuses on several competitions in the energy sector but also provides non-competition events such as PETROLIDA Company Visit (PetroVis), PETROLIDA Convocation Week (PCW), City Tour, and Gala Dinner.

PETROLIDA 2024 aims to serve as a platform for university students to explore and disclose their innovation regarding today's energy challenges through providing them a change to achieve their excellence.

PetroVis

Petrolida Company Visit

PetroVis is an one of the non-competition event by PETROLIDA 2024 which contains gathering/benchmark between SPE SCs also company visit to oil and gas company. The main aim of the gathering occasion is to foster positive connections among different Student Chapters and enhance the growth of the organization. This will be achieved by acquiring valuable knowledge about the accomplishments and activities of other SCs, ultimately contributing to the overall improvement of our own chapter.

PetroVis also do a collaboration with SPE ITS SC's Company Visit division to providing participants an early experience about oil & gas and energy industry through company visit program. This year, company visit will be held on PGN Saka, Gresik, Jawa Timur.
